FARM CHIEF WOULD CURB CORPORATION FARMING

Conglomorates Danger To US Declares Naiman

BY TROY MARTIN

Outlawing of corporate farming is being sought by the Texas Farmers Union.

Jay Naiman, Waco, president of TFU, told a Randall County meeting of Farmers Union members Wednesday morning that his group will try to push a bill through the legislature to forbid corporations to engage in farming.

He said the TFU will seek to exempt family type corporations from this law.

"The big corporations will spend unlimited money to defeat it," Naiman warned.

He said another approach is to close income tax loopholes for corporate and hobby farmers. "Some of them are just farming the IRS," he declared.

"Why some Wall Street brokers are wearing cowboys boots because they own some cattle somewhere that they will never see," he went on.

Naiman said farming by conglomorate corporations is threatening the livelihood of the individual American farmer.

"In 10 years independent producers will have to go to some corporation for a market for their produce in a market partially filled," he declared.

He noted that a packing company feeding cattle of its own will not be a good prospect as a customer for the individual cattle raiser.

Naiman said Russia has already proved that huge acreages tilled by insensitive government or corporate farmers is not the way.

"We know the independent farmers and ranchers are by far the most efficient producers of food," the Farmers Union president declared.

Naiman read a want ad from an Amarillo paper in which a corporation was seeking to purchase a large tract of farm land in the Panhandle.

"That scares me," he declared.

Naiman praised the Agricultural Act of 1965 but blasted its administration. He said some "unfortunate" administrative mistakes have been made.

He also declared that the act is not adequately funded.

"I'm convinced that there is nothing wrong with the present program," Naiman said. "Direct payments to farmers is not un-American."

He pledged the Farmers Union to keeping people in rural areas and making it possible for them to make a decent living there.

He spoke favorably of the Mondale Bill, a bill introduced by Senator Mondale of Minnesota calling for some type of bargaining system for the country's farmers.

"We need to find a device where we can put some muscle in bargaining," he said. "There

Friday Is Deadline To Register

Randall County voter registration hit 11,738 as of the close of business Tuesday, according to officials in the county tax office here.

Registration in Canyon came to 4,218 and to 7,520 at the county tax office in the South Amarillo court house annex.

Mrs. Audrey Bruse, tax assessor-collector, said deadline for registering is midnight Friday. She said the tax office will close as usual at 5 o'clock Friday afternoon but that she has been contacted by Canyon Jaycees who propose to register voters after hours.

She said the Jaycees propose to register voters in the old commissioners court meeting room across the hall from the sheriff's office in the court house and would be on hand there until midnight Friday.

Canyon Has Grass Fires

Four fires during the afternoon Monday destroyed about 175 acres of grassland and a vacant house in the Canyon area.

The house, about four miles south of Canyon, was owned by Mrs. W. L. Browning. Fire Capt. Joe Rice said the Canyon Fire Department received a call about 8:45 p.m.

He said by the time the five local units made it to the scene, the house was a total loss. Firemen stood watch, however, about two hours over the smouldering rubble.

Earlier in the day, about 2:45

IN A DRAMATIC scene from "Carnival" the two leading characters are shown as Paul (Buddy Roland) takes Lili (Shelly Taylor) into his arms. The all-school musical will be presented tonight through Saturday night at 8 p.m. in Canyon High School auditorium. Admission is $1 students, $1.50 adults and $2 reserved.

Court House Exodus To Annex Under Way

The move into the new court house annex is under way.

The county tax office moved in last week end and County Clerk Leroy Hutton was in the process of moving early this week.

The tax office occupies the east end of the first floor of the new annex building while the county clerk's office occupies the west end.

The county judge, district attorney, law library county court room and commissioners court room are located on the second floor.

Commissioners court met for the first time Monday in its new quarters.

Judge Carroll Brown and District Attorney George Dowlen will make the move as soon as carpeting is down in their offices.

W. A. "Bill" Wilson, who is in charge of court house maintenance, said the vault is located in the basement of the new annex. Considerable storage space also is found in the basement.

He said the east end of the basement will be used for this purpose.

"We've got to get some weight off the fourth floor of the old building," he said. "There's too much stuff up there and it's unsafe."

Office space vacated by those who move to the new annex will be occupied by those who remain, Wilson said.

Grant Is Accepted By Canyon

Canyon city commissioners have accepted a $75,150 grant from the Federal Water Pollution Control Administration for construction of a proposed sewer treatment plant.

Acceptance of the grant came Friday at a special meeting of the commission.

In other action, Mayor Paul Lindsey recommended that medians not be placed on 5th and 2nd Avenues at the intersection of those streets with 23rd Street.

With elimination of the medians on these streets, parking would still be instituted.

Robert Smith, an attorney, was also hired by the city to collect delinquent taxes. He will receive 15 per cent of the tax money he collects.

Hazlewood Given Top Committee

Canyon's Senator Grady Hazelwood Tuesday was appointed to the important Texas Senate Finance Committee.

The appointment was made by Lieutenant Governor Ben Barnes and caused a flap in political circles all over the state.

Hazlewood is an arch foe of Governor Preston Smith and only last summer Potter County Democrats wanted him drummed out of the party because he openly supported the Presidential candidacy of Ronald Reagan.

"He (Barnes) gave me exactly what I asked for and then added about three," Austin news sources quoted the delighted Hazlewood as having said.

Other committee appointments for the veteran senator include commerce and industry, constitutional amendments, jurisprudence, nominations, oil and gas, priviledges and elections, state affairs, transportation, and water and conservation.

Soldier's Wife Goes To Japan

Sandy Buttrill will leave for Japan tonight at 8:05 p.m. from Amarillo Airport, where she will visit with her husband, Randy Buttrill, who was recently wounded in action in Vietnam.

Mrs. Buttrill expects to arrive in Tokyo, Japan at 6:05 a.m. Febuary 1 (Tokyo time) and is to be met at the airport there by her husband, through contact efforts of the Red Cross.

Sandy will be in Japan about 15 days and expects to stay in facilities at the base. Five hundred dollars of the $750 needed for her plane ticket was donated by area residents.

Her husband, Randy, is in the United States Army hospital at Camp Zama, about 25 miles from Tokyo. She said that the cast has been removed from his leg and he has been moved to a special rehabilitation ward.

He will return to Vietnam in late February, according to his wife.

WT Student Is Killed

TUCUMCARI, N. M.--A former Amarillo student at West Texas State University was shot early Sunday in Roy, N. M., and died later that day of his injuries.

Donald Horton, 20, of 1100 Clyde in Amarillo, died Sunday night at Miner's Hospital in Raton, N. M.

Officers said he had been shot with a high powered weapon.

Charged with murder in connection with the shooting is Ro-

T-Anchor Area Pushed As Park

Site of the old T-Anchor ranch house--oldest house in the Panhandle--may be turned into a park and two new roads may be constructed to serve it.

Virgil Henson, financial vice president of West Texas State University, proposed such a move Monday at a meeting of Randall County commissioners court.

Henson said the university is ready to deed the site--some 5 acres--to the state highway department, plus right of way for a paved road from the Palo Duro Club road down the east side of the University Farm to connect with Hunsley Road. The road also would run along the east side of Buffalo Bowl parking area.

Hunsley Road dead ends at the east side of the expressway. Henson proposed that Hunsley Road be extended east to South Washington and that the improvement be paved.

Commissioners agreed to support the proposal but said arrangements for financing the projects would have to be made with the State Highway Department.

The extension of Hunsley Road would also link the expressway with the proposed interstate by-pass expected to be constructed east of Canyon.

CHS 'Carnival' Opens Tonight

"Carnival", the all-school musical production, will be presented by the fine arts departments of Canyon High School in a three-night run opening tonight, Thursday, at 8 p.m. in the CHS auditorium.

Performances will also be held Friday and Saturday nights at 8 p.m. Admission will be $1 for students, $1.50 for adults and $2 reserved.

Playing the lead roles in the musical are Buddy Roland and Shelly Taylor. The story of life in a European carnival is depicted through intricately balanced singing, acting and dancing.

Others cast in the show are Gary Moore as Marco the magician; Molly Malone as his partner Rosalie; Barry Cox as Schlegel, owner of the circus; Hal Owen as Jacquot; Pokey Haimes as the concession owner; and Mike Blanton as the doctor from Vienna.

Roustabouts include Pat Hickman, Mike Shapley, Chris Hull and Terry Landrum. Also

Huskie Rides Set Saturday

Two teams of Alaskan huskies will be brought to Canyon Saturday as a promotion at Bellah's Super Market.

The two teams will pull sleds for children's rides from 11 a.m. until 3 p.m. at Bellah's parking lot.

Souvenior tickets may be picked up at Bellahs. This will be the first time that the Alaskan huskie teams have been brought this far south, according to Bob Bellah.

HAPPY GREETS ADOPTED BOYS

BY CARROLL WILSON

Bedecked with American flags and welcome banners, Happy embraced her adopted sons Sunday as they settled their helicopters to earth in a swirl of dust.

As the men left their 'copters, several hundred townspeople welcomed them to their chosen hometown.

The men--members of the 238th Aviation Co. of the U. S. Army--had adopted Happy as their hometown and Sunday visited the "town without a frown" on their way to the west coast and ultimately to Southeast Asia.

When the 35 men landed in 11 helicopters south of Happy, little did they realize the celebrating which had been planned for them by the Happy Jaycees.

After arriving at 9 a.m., they were taken by residents to various local restaurants for coffee and conversation.

Following church services at several churches, the men were escorted to Happy's school for a buffet lunch.

At the lunch, the men mingled with the townspeople, shook hands, laughed and told of their own real hometowns.

Private Capital Urged For Local Development

Private enterprise may be sought to finance two projects proposed at a Chamber of Commerce Idea Committee meeting last week.

At the Idea Committee meeting it was proposed that the city purchase an airport being developed west of the city by Charles Allen and build a motor lodge financed with city revenue bonds.

Joe Gidden is chairman of a committee to investigate the airport purchase and W. E. "Bill" Adams is chairman of a committee to study the feasibility of a lodge.

"I definitely think that if you can get private money it is the way to go," said Ralph Mardis, board member, at a meeting of the Chamber board Monday night.

"I don't see how the airport could be considered without an additional runway," said Jo-Zach Byrd.

Allen's airport is located on a 90-acre tract on the Hereford Highway. It has one northeast and southwest runway 2600 feet long and a north-south runway 2400 feet long.

Allen said he will need 10 acres to the north of his tract in order to make the runway 4,000 feet long and accommodate larger airplanes.

The present facility already will accommodate smaller craft.

Allen says he has spent $148,000 on the airport to date.

Adams told the idea committee last week that he thinks Allen would be willing to sell the airport to the city for what he has invested in it.

Board Member Don Vars Monday night pointed to the need of an adequate airport as did Eddie Knowles, Chamber vice president.

Knowles said many college students would learn to fly if

6,376 Enroll At University

Enrollment at West Texas State University has increased more than 300 over totals at the same time last spring.

A total of 6,376 students had begun enrollment at the university Tuesday afternoon, the sixth day of registration.

At the end of the sixth day of registration last spring, a total of 6,036 had enrolled.

Enrollment for the fall semester was more than 7,000.

Olsen Files For City Commission

Kenneth Olsen has filed his candidacy for city commissioner.

Olsen filed for place 5, the post he now holds.

An assistant professor of business at West Texas State University, Olsen was appointed last May to serve out the unexpired term of Tom Foster who died in office.

Olsen is the second to file for city office in the April city election. The other is Walter Shelley, also a member of the WTSU faculty, who has filed for place 4.

Deadline for filing is February 28.

Kenneth Olsen, left, signs a certificate filing himself as a candidate for city commissioner, place 5, while Gloria Thomas, city employe, looks on.

by Troy Martin FROM THE CANYON RIM

Only last summer the Old Gray Fox from Randall County had all but been counted out as a power in Texas politics.

Grady Hazlewood was in a feud with Preston Smith, state standard bearer for his party. He even publically endorsed the candidacy of Republican Ronald Reagan for President at a gathering in Amarillo.

So touched by tribute from the Randall County senator was Governor Reagan that he vowed to return to California and seek the protection of the state for "Gray Foxes" within its boundaries.

Area Democrats were stung by this apparent defection. The Potter County Democratic executive committee, made up of some of the most influential Democrats in the area, even asked the senator to leave the folds of the party.

Tuesday Lt. Governor Ben Barnes, John Connally's heir apparent, appointed Senator Hazlewood chairman of the powerful Senate Finance Committee.

The battle lines appear to be drawn between Barnes and Governor Preston Smith.

Connally's early appointments were portent of the battle to come. Connally filled every appointive office possible before surrendering the reins of government to his successor.

I hope I am wrong but if indeed a political Armageddon is in the offing, the months ahead could be frustrating rather than rewarding for the people of Texas.

I hope that if a battle is joined it will come over issues rather than over petty personal grievances.

I voted for Ben Barnes and as readers of this column know, I worked for Preston Smith endorsing his candidacy in print in both the first and second primaries.

I have known and admired Grady Hazlewood since I was a cub reporter.

I have only this to say to these three gentlemen.

Texas is more important than all three of you and you who have given your lives to its service know it. There are thousands of things we need to be doing for her welfare.

Let's get on with it.

The Stokes have another daughter, Robin, 3.

Maternal grandmother is Mrs. Pauline Thompson of Sonorra and Mr. and Mrs. H. M. Stokes of Canyon are great-great-grand uncle and aunt of the infant.

Our World

BY ANN BROWN

Almost any statement will eventually be accepted as gospel truth if it is repeated often enough--unchallenged, regardless of the fallacy of the premise.

The esteemed framers of our Constitution opined that it was self evident that all men were created equal. Nearly a century later, Lincoln reaffirmed the framers' famous statement.

In what sense are men created equal? Are they equal physically? One child is born with a perfect body sturdy enough to last a hundred years. Another child is born so frail and weak that he does not survive the first day. Many children are born sans sight, hearing, limbs, and vital organs; and many enter life wracked with disease.

Can we say men are equal mentally? Men have measurable intelligence quotients which vary from 25 to 200. Does any informed person believe a man with a 25 I. Q. can perform on the level of a man with a 200 I. Q., or a 100--which is average--or even 50? (Intelligence quotients remain relatively constant from birth to senility.)

Would anyone dare say we enter this world with equal social standing or opportunities? One child is born to wealth, fame, and honor; another child enters a world of poverty, obscurity, and disgrace.

Some children come into homes where they are unwanted, unloved, neglected, and abused. Do they have equality with children who are eagerly anticipated, and whose every need is met with loving care?

Equal men are never free, and free men will never be equal.

Every man is unique. To force all men to fit the same mold is to destroy their freedom.

Some of our proposed government programs are reminiscent of the sadistic ruler who essayed to give all his subjects equality. He placed them one at a time on the royal bed; if a man was too long for the bed, his legs were cut off to the proper length. The subjects who were too short to fit the bed were stretched on a rack until they were the required size.

As regimentation increases, freedom declines. All men are entitled to be free as long as they do not infringe on the rights and freedoms of others.

The British made a motion picture depicting a society bent on equality. Books were banned because books enabled the students to surpass the non-students. Enforcing the statute literally turned the land into a hell on earth. Citizens who defied the law were burned alive with their books and their homes.

The clamor for equality is always in the social and financial realm; how many people are demanding an equal share of the hard work in this world?

The only place men really have equality is in the sight of God. ("God is no respecter of persons," Acts 10:34). Yet ironically, the people planners, so determined to make all men equal, have disregarded God's laws entirely.

Any time men are free, the strivers and achievers will rise above the lazy and the inefficient.

There is only one thing wrong with the lofty philosophy that all men are created equal: It is not true.

SA President Resigns Post

The president of the Student Association at West Texas State University during the fall semester has resigned his post.

John Lesly, a Hereford student at WTSU, announced his resignation at a Student Senate meeting Monday.

Harold Scroggins, formerly vice president, will assume presidential duties.

Lesly is no longer a student at WTSU.

Waterfowl Tours End

The winter waterfowl tour programs at Buffalo Lake National Wildlife Refuge will end Sunday, February 2.

Groups planning tours this year should make arrangements with the refuge office.

Wedding Pledged In Tulsa Chapel

Miss Angela Jan McKee and Harvey Glen Groves, Jr. were united in marriage January 26 at Sharp Memorial Chapel of the University of Tulsa in Tulsa, Oklahoma.

Ronald Milton, minister of the 29th and South Yale Church of Christ, performed the double ring ceremony.

The bride was given in marriage by her father, Rayburn McKee. She wore a formal length empire gown of organza which had an overskirt of chantilly lace. The chapel length dress was bordered in chantilly lace and she carried a colonial bouquet of gladioli, carnations and roses.

The bride is the daughter of Mr. and Mrs. Rayburn McKee and a granddaughter of Mrs. W. H. McKee of Canyon and Mr. and Mrs. V. P. Robertson of Wellington.

Mr. and Mrs. Harvey Groves, Sr. of Tulsa are parents of the bridegroom.

Miss Suzette McKee of Tulsa, sister of the bride, was maid of honor. Bridesmaids were Margaret Clayton of Tulsa and Julie Waldrip of Tyler. Melissa Yates of Tulsa was flower girl.

The bridal attendants wore sleeveless A-line dresses of pink moire. Their pink illusion veils were secured by flowered headpieces.

Richard Groves of Tulsa, brother of the bridegroom, was best man. Groomsmen were Ronald Stites of Tulsa and Weldon Watson of Tulsa. Ushering were Michael Conley of Oklahoma City and Dickie Ingram of Amarillo.

The couple will reside in Norman, Oklahoma where the bridegroom attends the University of Oklahoma and is a sophomore majoring in finance.

Attending the ceremonies from this area were Mr. and Mrs. Steve McKee of Hereford and Gary L. Byars of Amarillo.

Capers Club Has Guests

Canyon Capers Square Dance Club met Monday night at the Junior Livestock Building with Knox Day calling and 15 couples from Reddy Squares as their guests.

Also visiting the meeting were Mr. and Mrs. C. H. Monroe of Amarillo and Charles A. Smith of Hurst.

Guest tips were called by Audrey Brown of Reddy Squares, Leroy Pitt of Canyon Capers and Charles Blankenburg of Amarillo.

The club has decided to postpone square dance lessons for beginners to a later date.

Pleasantview HD Club Meets

Pleasantview Home Demonstration Club met last Wednesday in the home of Mrs. Gilbert Irlbeck with 14 members and three guests present.

Dr. Dudley Moore presented a program, discussion and films on venereal diseases which was concluded with a question-answer session for club members.

Mrs. Jim Irlbeck, president, was in charge of the business meeting as the secretary's report was read and approved.

Mrs. Edgar Cranmer, recreation chairman, directed club recreation on "baby games" and the meeting was concluded with a pink 'n blue shower honoring Mrs. John Winters.

During the business meeting, the club decided to hold a Mexican luncheon February 12 at the Farm Bureau Building. Each member will bring a favorite dish of Mexican food for the noon luncheon which will have Mrs. Edgar Cranmer and Mrs. Bill Head as co-hostesses.

Members were reminded of a 4-H program which will be given February 26 by local 4-H members.

Refreshments were served to Mesdames J. H. Barrett, Cristler Crain, Edgar Cranmer, Harold Dillehay, Allen Downing, A. K. Goodman, Bill Head, B. L. Hufnagle, Meade Humphries, H. M. Stokes, Jim Irlbeck, Gilbert Irlbeck, Don McRoberts, John Winters and guests, Mrs. Jim Blake, Mrs. Fred Irlbeck and Mrs. Toy Price.

Mr. & Mrs. Leon A. Thompson, Jr.

Reagan-Thompson Vows Read In Church Here

Miss Laura Janette Reagan became the bride of Leon Alexander Thompson, Jr. in double ring ceremonies read January 19 at Calvary Baptist Church of Canyon with Rev. H. D. Freeman officiating.

The bride is the daughter of Mr. and Mrs. A. W. Reagan of Canyon. Parents of the bridegroom are Mr. and Mrs. Leon Alexander Thompson, Sr. of Beaumont.

The church was decorated with an archway trimmed with white carnations and candleholders on either side. Mrs. J. W. Youngblood, organist, played traditional nuptial selections and soloist, Clifford Rogers, sang "O, Promise Me", "Because" and "Bless This House".

For her wedding, the bride wore a white satin dress with white bridal veil. She wore a pearl necklace, which was a gift of the bridegroom. She carried a penny of the year of her birth in her shoe and had a blue garter. For something old, she had the wedding ring of her grandmother, Mrs. J. R. Wyatt. She carried a white Bible covered with a bouquet of white roses. The Bible was borrowed from her niece, Becky Russell.

Candlelighters were Jack and Stacy Reagan, nephew and niece of the bride. Flower girl was Becky Russell, niece of the bride. The ringbearer was Jeff Reagan, nephew of the bride.

Maid of honor was Beverlie Webb, niece of the bride, and Bonnie Duke was bridesmaid. They wore pink lace dresses with pink lace headdress and a corsage of white carnations. Their ensembles were complemented with silver shoes. The flower girl and candlelighter were also attired in pink.

Best man was Bennie Longbine and Dennis Webb, nephew of the bride, was groomsman. Ushers for the occasion were Danny Longbine and Del Webb, brother-in-law of the bride.

For her daughter's wedding, Mrs. Reagan wore a dark blue dress with a corsage of white carnations. The bridegroom's mother wore a light blue dress and hat with a corsage of white carnations and the bridegroom's grandmother selected a cream colored dress accented with a white carnation corsage.

Fellowship Hall of the church was the site for the wedding reception given by Mrs. W. J. Reagan, Mrs. A. J. Reagan and Mrs. Ralph Russell. Guests were registered by Mrs. Del Webb.

The table was laid with a wedding tablecloth featuring silver wedding bells. The cake was trimmed in white and pink and centered the table. Top layer of the cake was set on columns and decorated with a miniature bridal couple with a background of a heart and two bells. Punch and mints were served.

For a brief wedding trip, the bride changed to a blue dress, which had been made by her mother. She complemented the ensemble with a bouquet of white roses from her bridal bouquet.

The couple will be at home at 2706 Eighth Avenue at Harmony House Apartments in Canyon.

The bride attended Floyd High School at Floyd, New Mexico. The bridegroom attended Beaumont High School and is presently a senior at West Texas State University.

Out-of-town guests registered were Mr. and Mrs. Leon A. Thompson, Sr. of Beaumont, Mrs. Olive Wadley of Denton, Mr. and Mrs. Don LaGrone of Galveston, Mr. and Mrs. Richard Wyatt of New Home, Mr. and Mrs. C. H. Reagan of Brownfield, Mr. and Mrs. W. J. Reagan and family of Hobbs, New Mexico, Mr. and Mrs. Del Webb and family of Portales, Mr. and Mrs. Ralph Russell and Becky of Clovis, New Mexico, Mr. and Mrs. A. J. Reagan and John of Clovis, New Mexico, Miss Bonnie Duke of Grady, New Mexico and Bennie and Danny Longbine.

News Brief

Sunday dinner guests of the Arvin Tripletts were Mr. and Mrs. Charles Triplett and Larry of Plainview. Afternoon visitors were Ray Irlbeck of Perryton, Mrs. Roy Mickey and Sherman McCarter of Canyon.

Service Topic For Methodists

"Operation Handclasp--Humanity and Holiness" will be the subject of the morning worship services at First United Methodist Church of Canyon Sunday.

Rev. J. Frank Peery, pastor, will deliver the 9 a.m. and 10:50 a.m. services. The Bible lesson will be from Micah 6:6-9.

Speaking at the evening worship hour at 5 p.m. will be Rev. Will Rossiter.

Duo-Pianists End CCA Series Here

Jeffrey and Ronald Marlow, duo pianists, will present the final program on the Canyon Community Concert series Sunday at the Canyon High School auditorium.

The concert will begin at 3 p.m. and is open to all CCA members and area residents through the CCA reciprocity arrangement.

CCA members are urged to use the remaining punches on their CCA membership cards at the Sunday concert, according to Mrs. Murphy White, CCA chairman. She explained that three separate punches are included on each membership card and may be taken individually or at a single program, by inviting guests.

Natives of Philadelphia, Pennsylvania, the two pianists are proteges of the famed duo-piano team, Pierre Luboshutz and Genia Nemenoff.

The Marlowes made their debut at the age of eleven in an appearance on the Milton Berle Show and that same year performed with the Philadelphia Orchestra. They have made television appearances with Arthur Godfrey, Garry Moore, Steve Allen, Sam Levenson and on the "Tonight" show.

Following their graduation from Temple University in Philadelphia, the two brothers embarked upon three seasons of extensive recital tours for the National Music Leauge. They have performed with the New York Philharmonic and with symphonies in Philadelphia, Pittsburgh, Lancaster, New Haven and Jacksonville.

HD Council Opens Year

The January organizational meeting for the Randall County Home Demonstration Council was conducted Monday afternoon at the Farm Bureau Building with Mrs. Harry Widick, chairman, in charge.

Recommendations were accepted by the council for delegates to take to their clubs for approval and discussion at the next council meeting.

Various committee reports were given by standing committee chairmen. The meeting was attended by 26 members and guests.

FIVE GENERATIONS TOGETHER recently were Mrs. Carrie Beckman and son, Clarence Beckman, and his daughter, Mrs. Alvin Friemel, back left, and her daughter, Mrs. Virginia Haebrle of Sacramento, California, and Debra Haebrle.

Volunteer Hospital Aid Is WBC Program

Mrs. Ira Ott of Hereford, American Legion Auxiliary hospital representative, was guest speaker for a program on VA hospitals throughout Texas for the Woman's Book Club of Canyon last Wednesday.

Mrs. Ott emphasized the volunteer program of VA hospitals throughout the state which accepts men and women volunteers in all areas of service.

She said that volunteer workers are used in the chaplain's service, clothing rooms, as recreation assistants, in addition to aiding the nursing services as a ward hostess, escort and at the admission offices.

"Volunteers are used to assist the patients with information and services such as taking wheel-chair patients to the and from clinics, treatment areas, offices and wards," said Mrs. Ott. "The volunteers often write letters for patients, read to them, and play games with them."

She concluded the program by distributing information leaflets on duties of various volunteer personnel in the VA hospital program.

Mrs. L. H. Brotherton, club president, was in charge of a brief business session as Mrs. Lon Fanning was named as library board representative from the club for the Canyon City Library. Selected as alternate library board representative was Mrs. Alfred Bellah.

Next meeting of the club will be February 12 at the home of Mrs. Lon Fanning.

Club guests for the meeting were Mrs. Gladys Marshall and Mrs. E. A. Michael.

WOMAN'S BOOK CLUB president, Mrs. L. H. Brotherton, left, visits with Mrs. Ira Ott of Hereford, American Legion Auxiliary hospital representative, and Mrs. H. E. Campfield, program chairman, right, after a business meeting and program held last Wednesday in the home of Mrs. R. A. Neblett.

Walter Finley Dies, Rites Held

Funeral rites for Walter Embry Finley, 75, were conducted Tuesday at the First Presbyterian Church in Happy.

Mr. Finley was born January 26, 1894 and died Monday at LaCasa Canyon Convalescent Home in Canyon. He married the former Margaret Aurelia Garrison October 15, 1919. She died in 1966.

Moving from McGregor, Mr. Finley had been a resident of Happy since 1909. He was a retired farmer and stockman and charter member and elder for the First Presbyterian Church in Happy.

Rev. Elroy J. Weikel, minister of Wesminister Presbyterian Church of Corpus Christi, was in charge of the services with Dr. Joe Findley, interim pastor of the First Presbyterian Church of Happy, assisting.

Interment was at Happy Cemetery, under the direction of LaGrone Funeral Home of Canyon. Pallbearers were A.J. McCarley, W.H. Bill McCarley, Mack White, Nathan Harvey, O. H. Rahlfs and Cone Johnson. Honorary pallbearers were H. C. McCarley, Allie White, Roy Smith, Dr. G. L. Robinson and members of the Men's Sunday School Class of the First Presbyterian Church of Happy.

He is survived by a daughter, Mrs. Jack (Mary) Flynt of Dimmitt; a son, Calvin G. Finley of Plano; and five grandchildren including Jack W. Flynt II, Sharron Flynt, Karron Flynt, Carolyn Finley and Calvin G. Finley II.

What *price* Electricity... *and progress?*

When you stop and think about it, it's a real bargain!

A MESSAGE FROM ROY TOLK, PRESIDENT
SOUTHWESTERN PUBLIC SERVICE COMPANY

I'm sure the figures on the right will surprise you as much as they did me. Being in the electric industry, I knew that the manufacturers, as well as the people in our Company were doing a magnificent job in holding down costs in spite of the run-a-way inflation we've all been experiencing . . . but no one had previously published the appliance cost comparisons.

In our own Company, by careful handling and attention to costs, coupled with advances in technology and prudent investment in plant and equipment, we have not only stayed ahead of your electricity needs but have been able to reduce the average cost per kilowatt hour of the electricity used in your home.

In 1948 the average cost of your electricity was 3.89 CENTS per kilowatt hour and today it has dropped to 2.74 CENTS, a reduction of 29.56 PERCENT. Certainly most of us have larger bills today because we use electricity for so many labor saving chores as well as comforts and conveniences. But, without the dedicated efforts of our employees in holding our costs down, your dollar cost would be way, way up. In fact, the current CONSUMER PRICE INDEX, the measure of how much we all spend as a group on the things we buy, indicated that we're paying 1/2 again as much for most things today as we were paying in 1948. Yet, the average kilowatt hour cost of electricity that you buy from us for your family's use is down 29.56%.

This coming year to keep you fully supplied with electric power and to keep electric service as efficient and economical as possible, we shall invest nearly 16 million dollars in required new equipment.

You may rest assured that your electric service will continue to be modern, dependable and brought to you at the lowest possible price. Reddy Kilowatt, and his fellow workers will see to it.

Despite inflation, the electric industry has kept costs low . . .

How about these price differences over the past 20 years?

■ **A DISPOSER**

was $119.50 in '48, now it's $78.50 and there have been over 100 external and internal improvements made.

■ **A DISHWASHER**

costing $339.95 in '48 is $299.95 now and it offers more cycles, better styling, more setting space.

■ **AN AIR CONDITIONER**

at $425 in '48 averages $175 today and it looks better, works better, and is cheaper to operate.

■ **ELECTRIC DRYERS**

at $299 in '48 now range from $249 to $299 with electronic dampness controls, many cycles, end-of-cycle signals, permanent press controls – and some models for as little as $100.

■ **A REFRIGERATOR-FREEZER**

in '48 at a cost of $31 per cubic foot is now $22 per cubic foot and you get no-frost, thinwall insulation, ice-makers, decorator fronts and colors.

■ **AN ELECTRIC RANGE**

which was $343 in '48 is $350 today. And that's with all the modern sophisticated controls and self-cleaning thrown in for good measure.

CANYON STUDY CLUB honored, from left, Mrs. Don Max Vars as nominee for District Junior Director, Mrs. Johnny Raymond, outstanding club member, and Mrs. Max McCulloch, most valuable club member.

Canyon Study Club Outlines Activities, Honors Three

Canyon Study Club met last Tuesday evening at the Girl Scout House with Mrs. Don Sheffy, Mrs. David Hunt and Mrs. Frank Castleberry as hostesses.

Winner in the "Fashions for Fun" style show was Mrs. Max McCulloch, who modeled a black and white houndstooth jumper and cape ensemble.

Other contest entries in the style event were Mrs. David Hunt, B. B. Kendrick, Mrs. Don Ray, Mrs. Don Max Vars and Mrs. Lynn Blewitt.

Members were reminded of a workshop to be held Tuesday, January 28, in the home of Mrs. Don Vars.

Resignation of Mrs. Lee Harrington was accepted by the club and Mrs. Suzy Teer was accepted into membership.

Mrs. Bob Neeb, chairman of the Mother's March of Dimes announced that the dimes march would be conducted Sunday from 2-5 p.m.

Mrs. Ronald Taylor reported that the committee for organizing a new junior club will conduct a tea February 9 for all young women interested in membership.

In response to Mrs. H.T. Carr's community projects report, club members voted to work two days a week at LaCasa Convalescent Home in Canyon.

Social committee chairman, Mrs. Ronald Taylor, reported that the club's sweetheart banquet will held at the Junior Livestock Building in Canyon February 15 at 7 p.m. The club will also have a theater party to Amarillo Little Theatre on January 31 to view "Night Must Fall".

The club voted to donate five dollars each to Hospital Ship Hope and Project Concern through the international clubs report.

Projects chairman, Mrs. Max McCulloch, reported that a white elephant sale will be held during February.

During the business meeting new club officers for 1969-70 were elected including Mrs. Don Vars, president; Mrs. Weyman Brown, vice president; Mrs. Larry Hooper, program chairman; Mrs. Lynn Blewett, secretary; Mrs. Charles Boston, treasurer; Mrs. Paul Davis, reporter-historian; and Mrs. Ronald Taylor, parliamentarian.

The club named Mrs. McCulloch as the most valuable club member for 1968-69 and Mrs. Johnny Raymond as the club's outstanding member for 1968-69. Mrs. Don Max Vars was selected as the club's nominee for District Junior Director, 1970-72.

Program for the meeting was given by Mac Bush, who gave a report on the Upward Bound Project at West Texas State University.

Members attending were Mesdames Bill Auvenshine, Lynn Blewitt, Weyman Brown, Dick Dawdy, Duane Guy, Lee Harrington, Larry Hooper, David Hunt, Jack Jones, Max McCulloch, Bob Neeb, Don Ray, Johnny Raymond, Don Sheffy, Ronald Taylor, Don Max Vars, Bob Phillips, H. T. Carr, Donald Cates, Frank Castleberry, Durwood Henderson, Darrell Munsell, Charles Boston, Paul Davis, Willis Harrison, B. B. Kendrick and Walt Shelly.

Fashion Review Slated Monday

HELEN WRIGHT

"Fashion Artistry" will be presented Wednesday, February 5, under the sponsorship of the Randall County Home Domonstration Council.

The program will be given by Helen Wright, special field representative of Simplicity Pattern Company, educational division. She earned the BS at Carnegie Institute of Technology, MA from Teachers College of Columbia University and formerly taught at St. Mary-of-the-Woods College in Indiana and the University of Missouri. She taught for Singer Sewing Machine Company in Pittsburgh, Pennsylvania and was a fabric consultant for Joseph Horne Company previously.

The special interest clothing program will feature "how to plan, purchase, construct and accessorize a wardrobe for spring." Information will also be given on consumer economics for spending the clothing dollar on fabrics.

The program will be at 9:30 a.m. Wednesday in the Farm Bureau Building and is open to all interested women. It is a part of the program plans of the family living sub-committee of the County Program Building committee to emphasize consumer competence as an area of major concern, according to Mrs. Becky Hall, home demonstration agent.

Methodists To Meeting

Several representatives of the First United Methodist Church of Canyon are attending a youth training laboratory this week at Polk Street Methodist Church in Amarillo.

Adult leaders from Canyon attending are Mrs. A. C. Haley, Jr. Burton Davis and Garland Frazier. Local youth participating are Kathy and Karen Petitt.

Sue Hite Club Meets

Sue Hite Club of Canyon met Monday in the home of Mrs. W. E. Miller with Mrs. A. L. Walsh as co-hostess.

Thirty-two members were present for the business meeting and program which was entitled "Let Us Get Involved in Federation Through Our Club Collect".

Discussing segments of the club collect were Mesdames L. H. Brotherton, Orville Hicks, J. D. Barker, Hatcher Brown, D. M. Foster, Fred Stoker, A. H. Prichard and Edith Priddy.

John Brandt Dies, Rites Held Monday

Funeral mass for John L. Brandt, 76, was read Monday at St. Mary's Catholic Church in Umbarger with Rt. Rev. Msgr. Matthew Schaffle officiating.

Interment was at St. Mary's Cemetery at Umbarger with LaGrone Funeral Home of Canyon in charge. Pallbearers were grandsons Douglas Rosson, Sidney Birkenfeld, Phillip Brandt, Dwight Brandt, Tommy Brandt and Louis Brandt.

Mr. Brandt died Saturday afternoon at St. Anthony's Hospital in Amarillo. Rosary services were Sunday evening at LaGrone Funeral Chapel.

He was a native of Nebraska City, Nebraska and had lived in Umbarger since 1921. He was a retired farmer and member of St. Mary's Catholic Church of Umbarger. He was an honorary life member of the Umbarger Knights of Columbus.

He married the former Emma Zeiner January 8, 1818 in Nebraska City.

Survivors include his wife; sons, Jack and Dennis, both of Umbarger; daughters, Mrs. Gertrude Rosson of Austin and Mrs. Ida Birkenfeld of Nazareth; a sister, Elizabeth Tyson of Nebraska City; 22 grandchildren and five great grandchildren.

Church Youth Emphasis Set

"Youth Week" at Canyon Church of the Nazarene will be observed in the Sunday morning worship hour as youth of the church participate in services.

Rev. Charles Jones will deliver the 10:45 a.m. message with an emphasis toward the youth of the church.

Malignancy Testing Discussed At Meet

The use of isotopes and vascular radiology for detecting malignancy was described by Dr. Charles Hendrick as he spoke to the Randall County chapter of the American Cancer Society recently.

Dr. Hendrick, radiologist at Northwest Texas Hospital in Amarillo, is president for the Potter County unit. He was introduced at the luncheon by Jack Cromartie, district representative.

Cromartie reported that "due to the amount of research conducted in Texas that Texas receives $1.13 for every $1 contribution collected including 41 cents for research, 16 cents for professional education, 20 cents for public education, 22 cents for service, five cents for program development and nine cents for campaign."

Prior to the crusade in April, education films and programs will be available to local club groups and school classes. Charles Wright, education chairman, may be contacted for further information.

Joe Gidden, Randall County unit president, has named Larry Hooper as the crusade chairman for the local drive. Heading the campaign throughout Texas will be Darrell Royal, University of Texas football coach.

Residents Attend Relative's Rites

Mr. and Mrs. H. C. Adcock and Mrs. Ruth Hill attended funeral rites for a sister-in-law, Mrs. Robert A. Adcock, last Wednesday in Fort Worth.

Mrs. R. A. Adcock was a former resident of Canyon. They farmed southeast of Canyon, while living in Randall County.

Agent Sets HD Programs

"The Challenge of Growth in Family Living" will be the subject of a home demonstration agent's program to be given during February to all ten HD clubs of Randall County.

Mrs. Becky Hall, home demonstration agent, said that the program deals with the roles of each generation and the behavior patterns of families from early marriage through retirement.

Tuesday evening guest in the Arvin Triplett home was Mrs. Eva Mickey.

KRIS TUCKER assists a pre-schooler, Curt Hord, at a "circus parade" table as students of Homemaking I at Canyon Junior High School entertained pre-school children Monday as the conclusion to a study in child development. Mrs. Nadene Lyles, homemaking instructor, stated that about 55 pre-school students were entertained by classes throughout the day.

To Wed

MR. AND MRS. C. N. TIPPERY announce the engagement and approaching marriage of their daughter, Jeannita Gaye, to Robert E. Higginbotham, Jr., son of Mr. and Mrs. Robert E. Higginbotham, Sr. of Amarillo. Wedding vows will be exchanged February 22 at the First Assembly of God Church in Canyon.

Leta Gill, high scorer Friday night for the girls junior varsity, goes in for another shot against Olton. The junior varsity won 55-21.

Buffs Blasted 104-82 By Tough Redskins

The West Texas State University Buffs were completely overwhelmed Monday night by the taller and more inspired Utah Utes by a huge 104-82 margin in Salt Lake City.

Blessed with two 6-10 players, the Utes controlled the backboards and the Buffs' cold shooting game them the rebounds many times.

Talented sophomore Mike Newlin of Utah was also a main factor in the Ute win, as he shot 24 points to lead his team.

The Buffs, rebounding from what may well have been one of their finest games of the season Saturday night against Utah State, were just not ready for the Ute attack.

The loss put the Buffs record at 12-3, while the Utes are even, 9-9 for season play.

All-American candidate Simmie Hill scored 13 points in the first half, but was really cold in the second as he hit only four.

The Buffs led only once in the entire game, 1-0 on an opening-minute freethrow by David Cole.

Following that, the Utes took the ball and hit three quick points to jump into the lead.

The West Texans tied them twice in the early first half, 9-9 and 11-11 with about 13:50 remaining in the half.

But, the Utes, stealing the ball and commanding the boards, broke the second tie and bounded to as much as a six-point lead with 9:24 remaining.

From there, the Utes broke the game wide open. At one point in the first half, they led by as much as 19 points, 48-29. When the half buzzer sounded, the Buffs were behind by 16, 51-35.

In the second half, despite their deficit, the Buffs tried to climb back into the game and came within eight points of the victors twice.

But, the Utes game them no such chance and each minute saw the lead grow until Utah amassed the largest lead of 26 points when substitute Ken Borrevik made his only points of the night and made Utah's score an even 100.

It was all over and the Buffs lost the tilt 104-82.

The Buffs hit only 38.8 per cent of their field goal attempts.

The Utes amassed 64 rebounds to the Buffaloes' 49. The Buffs, however, connected on 78.9 per cent of their free throws. The Utes hit 24 of 35.

High point man for the night was Hill with 17, followed by Dale Blaut with 12, Mike Mitchell and Ron Howle with 11 each, James McCloud and Gale Rhine with eight each, David Cole with six, Gene Murdock with four, Pratt Lyons with three and Johnnie Burkhalter with two.

Newlin was high point for the Utes with 24, followed by Bob Martin with 19, and Ken Gardner with 18.

The Buffs were to meet Weber State in a rematch Wednesday night. They play Denver University Saturday afternoon.

New Coach Hired At University

Jim Curtis, currently head coach at Sulphur Springs, has been hired as defensive line coach at West Texas State University.

Curtis was employed to replace Coach Lee Harrington who accepted a coaching job at Baylor.

Curtis formerly was an assistant coach at Amarillo High School. He said he expects to move his family to Canyon within the next few days, possibly next week end.

Curtis has been head coach at Sulphur Springs for the past two seasons. His charges have records of 5-5 and 3-6-1 for his tenure.

He also formerly coached at Wilburton, El Reno Checotah and Norman in Oklahoma and was an assistant at Lubbock High School for four years.

"I am happy to be associated with Coach Joe Kerbel," Curtis told The News by telephone Monday. "I consider it a promotion for me. Coach Kerbel is one of the best recruiters and organizers in the business."

Coach and Mrs. Curtis have three children.

Jackie Thrasher (30), stellar Eagle sharpshooter, takes the ball down court with a Tulia Hornet hot on his heels. The Eagles defeated the Hornets in a 77-74 cliff hanger to tie for the first half of district play.

Red-Hot Eagles Squeeze By Tulia Hornets, 77-74

BY CARROLL WILSON

The red-hot Canyon Eagles cinched a tie for first place in the district as they squeezed a victory out of Tulia's Hornets Tuesday night by a slim 77-74 on the home court.

Eagle fans watched the game teeter-totter back and forth throughout and saw the Eagles turn on the steam when it counted in the final seconds to stay in the lead for good.

It was one of those games you hear about later and wish you'd seen as the two teams tied the game up nine times and the lead exchanged hands 18 times to keep fans on their feet.

A nip and tuck battle it was, but the Eagles are now seated in the top berth with only Perryton, who beat the Eagles earlier in the year, to stand between Canyon and the district championship.

District record for the Eagles now stands at 4 and 1.

It was also a game halted many times by officials as both teams committed a total of 40 fouls.

With the game tied 2-2, the Eagles made it 4-2, the Hornets made it 4-4, and quick as lightning, the Eagles were all over Tulia and scored four fast points to maintain a solid lead through the remainder of the first quarter. Canyon led at the buzzer 22-18.

But, with the opening of the second stanza, the Hornets were back in the game as they tied the score at 22-22, then 24-24 then 28-28. Again the Eagles gained control and led at the half 40-37.

Top Canyon scorer for the first half was Jackie Thrasher with 11.

In the first half, as throughout the game, the Eagles were forced to take their shots from the outside, as Mike Henthorn, a 6-6 senior, kept close tabs on the lane for Tulia.

Despite Henthorn's size superiority, the Eagles had a good night on the boards.

The second half opened and the Eagles were cold.

The Hornets caught up on the Eagles' lead and tied the game at 43-43. They jumped ahead until the Eagles regained their composure and tied it at 48-48.

From there the lead teetered back and forth, but when the third quarter ended, the Eagles were on top by one, 54-53.

The lead exchanged hands seven times in the final quarter and it looked like certain doom when the Eagles were down at one time by as much as six.

They never stopped their hard-rushing press and when the final buzzer sounded Canyon had won 77-74.

High scorer for Canyon was Jerry Landrum with 21, followed by Lon Conner with 17, Thrasher with 16, Kyle Sunderman with 12, Steve Butler with five, Chris Gerald with four and Lynn Salmon with two.

High point man for Tulia was Mike Gleason, a 6-4 junior, whose eye was unmatched on the floor. Gleason hit 30 points, followed by Henthron with 23, Ricky Cox with 13, Don Morris with six and Richard Edwards with two.

The Eagles hit 21 of 31 from the charity line for 67.7 per cent, while the Hornets hit 12 of 23 for 52.1 per cent.

The Eagles meet arch-rival Perryton Friday night in Perryton.

The Canyon junior varsity waxed the Tulia junior varsity 68-47 in Tuesday night action here. High point man for Canyon was Keith Keeling with 16.

The junior varsity meets Perryton in Perryton Friday night.

Buffs - Denver Play Saturday

The West Texas State University Buffs, sporting a 12-3 season record following Monday night's loss to Utah, may find the going a little easier Saturday afternoon.

They meet the poor-playing Denver University Pioneers, who hold a season record of 1-14. That is the most consecutive losses in a season for the Pioneers.

They have suffered 12 straight setbacks since defeating Arkansas State on Dec. 7.

About the only hope for Denver is the consistent shooting of 5-10 guard Horace Kearney, who has averaged 20.3 points per game this season. His nearest teammate in the scoring average department is Ken Jones with 12 per game. Kearney has led the scoring in 12 of the Denver games.

The Denver game will end a four-game road trip for the Buffs, who beat Utah State Saturday night.

The Denver game will be televised in the Denver area.

The Buffs met Weber State Wednesday night.

Next Tuesday, the Buffs will be back at home in Canyon against the Pan American Broncos from Edinburg.

The Broncos have won only five of 15 games this season. They are members of the NCAA University Division.

Mercury Guest In Amarillo

West Texas State University's all-American, Eugene "Mercury" Morris, will be special guest at an Amarillo supermarket Saturday.

Morris will be paid special tribute by Furr's Supermarket in Western Plaza for his contributions to the Amarillo area through his national recognition.

The store is celebrating its anniversary and will have Morris, in uniform, to sign autographs from 2 to 4 p.m.

Prior to the Saturday events, Morris will be guest on the Ruth Brent Show, a television interview program, today.

Canyon Girls Rip Tulia Team 60-45

Canyon's girl Eagles whipped it on Tulia 60-45 Tuesday night to advance to within a game of the first half district championship.

Both Tulia and Canyon already had defeated Muleshoe in the four-team district. The win over Tulia leaves Slaton between Canyon and the first half victory.

Coach Bob Schneider said his charges will play Slaton Feb. 11.

The Eagles jumped to an early lead in the game with Tulia and were ahead 13-6 at the end of the first period. Tulia outscored the Eagles a point in the second quarter but the Canyon team still led 25-19 at half time.

The Eagles nudged ahead four more points in the third period and led 45-35 by the end of the quarter.

Susan Swatzell was top scorer for Canyon with 31 points. Next was Pam Richardson with 18 and Linda Lehman scored 11 points.

Coach Schneider praised two of his guards, Beverly Brown and Jenna Thompson. He rated Miss Brown's performance as excellent and Miss Thompson's as good.

"We had a little foul trouble and Cindy Jones and Linda Brown came off the bench and did us a fine job," Coach Schneider declared.

"Both teams were tense and nervous because we both had already beaten Muleshoe."

"We hit 62 percent from the field but fell down at the free throw line with only 44 percent," the coach went on.

Slaton was placed in the district late and has not yet played a district game," Coach Schneider explained.

He expects Slaton to be a tough opponent. The Slaton team already has beaten Canyon once this year. That was in last month's Tulia tournament which was won by Slaton.

The girls junior varsity lost to the Tulia B team by a scant 39-37. Leta Gill was high scorer for Canyon with 16 points and Kim Tucker was second with 12.

The Canyon team led by two points going into the final quarter.

The Girl Eagles play Hale Center here Friday afternoon at the high school gymnasium. The Junior Varsity will play at 4 o'clock and the varsity at 5:30.

Accompanying will be James Walker, vo-ag instructor, L.C. Robinson and Doug Breitling.

Scouts Attend Indian Dances

Winter ceremonials of the Kwahadi Indian dancers in Amarillo were attended Saturday by Cub Scouts, den mothers and parents of Cub Scout Pack 97.

The dances performed in the 'Kiva' were authentic dances of the Rio Grande Pueblo Indians. The Kwahadi Indian Dance Troop is composed of Boy Scouts who have earned the rank of first class. Many of the Indian costumes were made by the scouts themselves.

Dens from Pack 97 which attended the ceremonials were Den 2, Den 3, Den 4, Den 5, and Den 6.

Cub Scouts Take Winter Lake Tour

Cub Scouts of Pack 97 recently participated in the annual winter open house tours offered at Buffalo Lake National Wildlife Refuge.

The tours are offered primarily to provide the public with a review of refuge activities and to inform of management goals of maintaining wintering habitat for ducks and geese.

The scouts studied the two display units located near the lake which depict refuge management practices, program and procedures, and which also identify common waterfowl which winter on the lake.

Highlight of the tour was the banding of ducks and geese by Steven Joyner, refuge management trainee. He demonstrated techniques and explained various bird identification features to the scouts.

The tour will complete various requirements of the Conservation achievement in the Bear level of Cub Scouting.

Dens participating in the field trip were Den 4, Den 5 and Den 2. The Javelin Patrol of Boy Scout Troop 31 accompanied Den 2.

Mercury, Drones Pro Teams Draft

Eugene "Mercury" Morris, All-American halfback at West Texas State University, was selected in the third round of the pro football draft Tuesday by the Miami Dolphins of the American Football League.

Buff tackle A. Z. Drones was drafted by the Los Angeles Rams in the final round of the first day's selections.

Morris was in Amarillo when he heard of the Dolphin's choice. "I am happy. It seems like a good deal. I think I can fit in down there."

Miami weather is far warmer than that of his hometown of Pittsburgh, Pa. or Canyon. When asked if he would like the change, soft-spoken Mercury replied, "Right. I always had one stipulation. . . I wanted to play where it was warm."

Morris, who is a senior speech major planning to contrate in speech therapy, will not let his pro selection interfere with his graduation plans. "I lack six hours, so I will be back next spring." He will not report to the Dolphins' camp until July 10 or 12.

Holder of the NCAA all-career rushing record of 3,388 yards, Mercury says that with the young Dolphin club, he will get to carry the ball considerably more than even in the All-star games. He will find himself opposing the very man with whom he carried a two season rivalry--O. J. Simpson, who was signed to the AFL in the first round. "I am happy to be in the same league with Simpson," said Mercury.

Born in Pittsburgh, Morris is the oldest of five children belonging to Mr. and Mrs. George Morris.

STEVEN JOYNER, management trainee at Buffalo Lake National Wildlife Refuge, demonstrated banding techniques and explained various bird identification features to this group of Cub Scouts from Den 2, Pack 97, and the representatives of Javelin Patrol, Troop 31, Boy Scouts recently.

Former Resident Dies In California

Funeral services for Mrs. Leota Davis, 63, a former Canyon area resident, were conducted Monday at South Gate, California, where she had lived since 1949.

She died last Thursday at a Compton, California hospital. She was born in Grayson County and moved to the Canyon-Umbarger area as a child. She and her husband, Marion, lived on a farm near Canyon before moving to California.

She is survived by four sons, a daughter, two sisters, and 28 grandchildren.

Rites Set Today For Anna Schmitz

Final rites for Mrs. Anna Knecht Schmitz will be conducted today in Canyon.

Rosary will be conducted by Don Glenn at 9 a.m. at LaGrone Funeral Chapel.

Requiem mass at 10 a.m. will be at St. Ann's Catholic Church with Rev. George H. Sallaway officiating.

Interment will be at Dreamland Cemetery, under the direction of LaGrone Funeral Home.

Mrs. Schmitz, 77, died Tuesday at Deaf Smith County Hospital in Hereford. She came to Canyon in 1914 and had been a resident of Randall County since 1909, having lived southeast of the city. She was a resident of Westgate King's Manor at the time of her death.

She was born February 4, 1891 in Leonore, Illinois. She married William Schmitz in Leonore, Illinois February 9, 1909. He died in January 1957. She was a member of St. Ann's Catholic Church of Canyon.

The family has requested that memorials be given to Dreamland Cemetery Association or to a favorite charity.

Pallbearers will be Donald Jesko, Lee Dennis Jesko, Wayne Jesko, Larry Jesko, Jackie Lee Burns and Donald E. Breitling.

Survivors include a son, George Schmitz of Amarillo; four daughters, Mrs. George Vorwald of Bloomington, Wisconsin, Mrs. A. J. Jesko of Muleshoe, Mrs. Dan Gerald of Lone Oak, Texas and Mrs. Kenneth Erwin of Amarillo; a brother, George Knecht of Richland Township, Illinois; 17 grandchildren and 25 great-grandchildren.

Spanish Film Slated At WT

The modern language film series of West Texas State University will present a showing of "Don Quixote" Tuesday, February 4.

The Spanish feature length film will be shown at 2:30 and 7:30 p.m. in room 401 of the University Complex South.

With English subtitles, the film story concerns the famed exploits of Don Quixote and Sancho Panza, characters created by the Spanish writer Miguel Cervantes. The 143 minute feature was filmed on location in Spain.

Tickets will be available at the door for both performances.

Gene Teters Commended

Master Sergeant Gene H. Teters has been awarded the Army Commendation Medal with the first oak leaf cluster for meritorious service while assigned to the United States Army Recruiting Command.

The commendation covers service from November 1967 through January 1969, while Teters was area supervisor for the Amarillo Recruiting Area and was the main station noncommissioned officer for the Army Recruiting Station in Amarillo.

Teters commendation states that "his performance of duty was characterized by exceptional initiative, skillful application of professional knowledge and distinctive qualifications for recruiting duties."

He was cited for a 104 percent attainment of overall recruiting objectives which reflected a 15 percent production increase during his service.

Teters is now serving the United States Army in Vietnam. His wife, Lores, and two children, John and Lorie, reside in Canyon.

a proponent of a park at the T-Anchor ranch house site.

The building has been designated a historical site by the state committee and the university is in the process of restoring it. Henson said the committee, aided by Boone McClure, is seeking to furnish it with authentic furniture from the era of its construction.

Situated in a cottonwood grove on the university farm, the house was built by Lee Dyer, Charlie Goodnight's brother-in-law, in 1877. It was constructed from cedar logs cut in Palo Duro Canyon.

Wooden pegs were used in the place of nails.

"It is the best place for a roadside park in the Panhandle," Henson told commissioners.

Henson wants to see the extension of Hunsley Road designated as a farm-to-market road. About four miles is involved and he said obtaining right of way for it would be no problem.

"It is something that needs to be done," Henson told the commissioners. "We may ask some of you to go to Austin with us to see the highway commission."

In other business, the court agreed to make a quit claim deed to one half the mineral rights on a 20-acre tract at the site of the national guard armory east of the city. The university had purchased the land in the early 1950s.

Sheriff L. S. "Slim" Johnston was authorized to hire two new deputies. One will be a civil deputy whose principal duties will be in serving civil court papers.

The court approved payment of interest in the amount of $10,923.42 on warrants issued for payment of the new court house annex. Interest is being paid through Feb. 15 on which date the warrants will be refunded with bonds.

The court also authorized Mrs. Audrey Bruse to attend a tax seminar in Fort Worth Feb. 10-12.

p.m., five units from the department were dispatched to grassland about 14 miles northwest of Canyon. Firemen fought the blaze about 1 1/2 hours befor bringing it under control, Rice said. About 150 acres were destroyed by the fire.

Rice said the owner of the property is not yet known.

About 4:10 p.m., three units of the Canyon department fought a blaze about four miles west of Canyon near U. S. 60.

Rice said the fire started off the railroad right-of-way and burned into a portion of the Bob Lindsey ranch.

About 20 acres of grass were destroyed.

Just after fighting the house fire Monday night, the firemen were called to a grass fire about three miles south of Canyon about 11 p.m. About five acres of grass burned. Rice said owner of the property is not yet known.

During the month of January, Canyon has received less than .10 of an inch of moisture. Officials at the U. S. Weather Bureau in Amarillo said humidity in Canyon Monday afternoon averaged about 23 per cent. They said this is not unusually low for this time of year.

bert Romero, 19, of Roy. He was arraigned Monday on the charge before Magistrate H.W. Dikeman of Roy. Romero was denied bond and transferred to county jail in Tucumcari.

Officers said Horton was shot about 1:30 a.m. Sunday following a dance in the Roy High School gymnasium.

Horton had been visiting friends in Roy several days.

Romero was arrested Sunday.

A native of Lufkin, Horton had lived in Amarillo since 1951. He was a student at WTSU during the fall term.

Funeral services were held Tuesday in Amarillo.

Survivors include parents, Mr. and Mrs. A. C. Horton; a brother, Thomas and a sister, Deborah, of the home; a brother, Bobby, of Corpus Christi; a sister, Mrs. Charles Eubanks of Corpus Christi; grandparents, Mr. and Mrs. W. V. Horton of Troup and Mrs. Nick Hardeman of Marlin.

Two Injured In Accident

Mr. and Mrs. Joe Ivy of Route 2, Canyon are both in the intensive care unit at Northwest Texas Hospital in Amarillo this week following an automobile accident Sunday morning about 1:20.

Following the accident at Second and Fillmore Streets in Amarillo, the Ivys were taken to the hospital where he is being treated for lacerations and she has a head injury.

The Ivys were occupants of a 1962 model vehicle heading north at the overpass intersection. Their vehicle struck the median and some signs.

Children of the couple, Melinda Kay and Michelle Rene, were not in the auto at the time of the accident. The children are being cared for by relatives this week.

Commissions Discuss Subdivisions

Members of the city's planning, zoning and city commissions met jointly Monday night with Marvin Springer, city planning consultant from Dallas, and discussed various amendments to proposed guidelines for subdividers.

The commissioners have met jointly in the past to review the guidelines among themselves and with subdividers.

The guidelines were drawn up in 1966 by Springer.

During Monday night's meeting, the joint commissions discussed the various regulations and amendments.

The guidelines will be redrawn by Springer to include the amendments and returned to the city for final approval.

Stepmother Dies Rites Are Held

Funeral services for Mrs. Sarah Marguerite Ayers, 83, were conducted Sunday at the Clarendon Church of Christ.

She died last Thursday at Hall County Hospital in Memphis. She was born at Jacksboro and came to Clarendon 13 years ago from Corsicana, where she had lived for 40 years. Burial was at Corsicana Monday.

Survivors include her husband, W. B.; two daughters; two stepdaughters including Mrs. Winnie Wester of Canyon; two stepsons; a sister; 20 grandchildren and 33 great-grandchildren.

Box Supper Set For Scouts-Dads

Annual box supper for Canyon's Girl Scouts and Brownies and their fathers will be held February 7 at Rex Reeves Elementary School cafeteria.

The box supper, which begins at 7 p.m., will feature a sweetheart theme.

The program will be directed by senior scouts with each troop having a part on the program.

MARCHING MOTHER Mrs. David Hunt turns in a fund packet to Mrs. Paul Davis, seated, co-chairman of the Mother's March of Dimes drive held Sunday in a citywide canvas. Funds totalling $650 were collected in the drive Sunday afternoon. Additional donations are expected before the drive is completed.

Vars said Texas Tech has a flying club with 250 members.

Chamber President Dean House said Gidden's report will be awaited before any board action is taken in the matter.

It was the concensus of the board that a lodge should also be financed privately.

"If it is worth looking at at all, it should be financed with private enterprise," said House.

"If it is not a paying proposition the city can't afford it," said Jimmy Christopher who is a board member and a member of the Canyon city commission.

"We can encourage someone to build it," said Mardis.

The Chamber Community Development Committee headed by Vars is working out rules for a slogan contest to select a slogan for the city of Canyon.

A prize of $50 is being offered in the contest and rules will be published in the Sunday News.

House appointed chairmen for several Chamber committees. These include JoZach Byrd, agriculture; Dick Barrett, awards; Jimmy Christopher, business development; Don Max Vars, community development; Dr. T. Paige Carruth, education; Gerald Warwick, highway; Ralph Mardis, industrial; Gene McGlasson, legislative; Eddie Knowles, membership and finance; Dr. Willis Harrison, member relations; B. B. is no alternative to sitting down with those who buy from us and discussing price."

He said the Farmers Union opposes any program which would take whole farms out of production.

"Such a program would undermine communities and put the government in competition with farmers who must rent land," he asserted.

The present program allows for acreage diversion but not for retirement of entire farms.

Naiman said up to 80,000,000 acres would have to be diverted under a system where whole farms were retired to match the present diversion of some 60,000,000 acres in cutting production.

He explained that under such a plan many marginal farms would be retired while good acreage would be kept in production.

Naiman promised support for an export certificate program on wheat. He pointed out that export wheat is used by this country as a diplomatic tool and to bolster balance of payments abroad and because of this American farmers should get a fair price for it.

He said Farmers Union also will support legislation designed to keep young people on the farm. He said this will be in the form of a Young Farmers Investment Bill which would provide long-term, low-interest capital for young farmers.

A. R. Friemel is president of the Randall County Farmers Union. Lindsey Land and Cattle Company bought breakfast for the group.

Parade Question To Be Pondered By Commission

Negro students at West Texas State University are expected to present a request for permission to parade on Canyon streets at the Feb. 6 meeting of the City Commission.

Paul Davis, city manager, said the Negroes had been placed on the agenda for that night.

The parade is planned in conjunction with an Afro-American Weekend at the university.

ing officer of the 238th, credited Warrant Officer Jerry Powell, formerly of Happy, with convincing the 167 men of the 238th to choose Happy as the unit's hometown.

But, Powell, son of Mr. and Mrs. Jack Powell, was modest about his accomplishment.

He said he suggested Happy as a good adopted hometown because "we as a unit (the 238th) are very close and Happy as a town is very close.

"What could be better than the perfect unity of a close unit with a close town?"

Powell said Happy is "my symbol of peace as it should be in the world."

He said in each new company which forms "so many personalities and backgrounds in life. When we first started we were from everywhere and we had to have unity. One man can't function alone in the unit as it is set up."

Powell said Happy, as a community, "has had unity for years."

Most of the company's men, he said, come from larger cities "and you know they don't have any unity."

Throughout the buffet lunch, Happy residents talked with the men, and they did, indeed, hail from throughout the country--from New York to California and Maryland to Kentucky and Arizona.

As an adopted hometown, Happy will send greeting cards and letters to the men of the company while they serve in Southeast Asia.

Following the lunch, the men heard a concert by the Happy High School band.

They departed about 4 p.m.

"TEXAS" Float In Inaugural

The "TEXAS" float was one of 17 festival floats entered in the Texas inaugural parade Jan. 21, and it was the only float entered from north of Lubbock.

Raymond Raillard, James Kimmerling and David Schuette attended the inaugural with the float, which was constructed in Canyon.

The float depicted Paul Green's Outdoor drama, which is presented each summer in Palo Duro Canyon State Park.

Other cities represented with floats in the parade were the City of Dallas, Fort Worth, San Angelo, Lubbock, Abilene and San Antonio.

More than 5,000 persons participated in the inaugural parade.

Mrs. Tommy Dewayne Simmons

Nuptial Vows Read For Bean-Simmons

Miss Wanda Ruth Bean became the bride of Tommy Dewayne Simmons Saturday, January 18, at the First United Methodist Church of Happy with Rev. James E. Merrell officiating.

The bride is the daughter of Mr. and Mrs. Albert E. Bean of Fort Stockton. Her husband is the son of Mr. and Mrs. Tommy E. Simmons of Borger.

Candles with an arrangement of red roses and white chrysanthemums with greenery decorated the communion table. Mrs. Wally Wallace of Happy played traditional wedding music and accompanied Helen Collard of Spearman who sang "Whither Thou Goest" and "The Wedding Prayer".

Carol Bean, sister of the bride, was maid of honor. She wore a red velveteen street-length dress and carried a single white rose.

Best man was Ralph E. Jackson Jr. of Phillips. Ushering were Ralph Bradford of Canyon and T.L. Haney of Seminole.

Given in marriage by her father, the bride wore a formal floorlength wedding gown of Alencon lace and nylon net fashioned over taffeta and designed with a Sabrina neckline and natural waist which formed a point. The bodice was accented with long tapered sleeves. Rows of ruffles fell in waterfall fashion over the bouffant skirt. Sequins accented the neckline and front of the wedding gown.

Her bridal veil of imported illusion was held to a crown of seed pearls and sequins. She carried a nosegay of red rosebuds tied with red satin streamers. Her jewelry was a single strand of pearls, borrowed from her mother.

Mrs. Bean chose for her daughter's wedding a pale green knit sheath dress with pink accessories and a corsage of white carnations. The bridegroom's mother wore a two-piece knit navy blue suit with navy and green accessories and her corsage was white carnations.

The reception in Fellowship Hall of the church centered around the bride's table, which was laid with a white cloth and appointed with a crystal punch-bowl and candelabra bearing red candles and accented with the bride's bouquet. The three-tiered wedding cake was decorated with white wedding bells and doves and topped with the traditional miniature bride and bridegroom.

Mrs. Sharyel Bradford presided at the bride's book. The women of the church served cake, poured punch and distributed small rice bags tied with red ribbon.

For a wedding trip to Lubbock, the bride changed to a turquoise suit with white accessories.

The bride graduated from Fort Stockton High School with honors in 1968. She was a member of the Fort Stockton High School Band, Future Teachers of America, National Honor Society and Drama Club. Last summer she served as a counselor at Mitre Peak Girl Scout Camp. She is presently a freshman student at West Texas State University in Canyon.

A 1965 graduate of Borger High School, the bridegroom is a senior at WTSU, where he is a member of the WT Chorale, Kappa Kappa Psi, Phi Mu Alpha Sinfonia and WTSU Band. He serves as president of the WT Band. He is choir director for the First United Methodist Church in Happy.

The couple has established their home at 207 15th Street in Canyon.

Church Teachers, Officers To Meet

Calvary Baptist Church of Canyon will have a covered dish supper for teachers and officers Wednesday, February 4, at 6:30 p.m.

Baxter Lambert, Sunday School superintendent, will be in charge of the business session after the meal.
